STUDIES IN THE SCRIPTURES

THE DIVINE PLAN OF THE AGES

VOLUME ONE

THE Bible reveals that God's ultimate purpose for the world of mankind is to fulfill His promise to faithful Abraham, "In thee and in thy seed shall I bless all the families of the earth." But even to honest-hearted

Christians, that promise still seems far from its fulfillment and many questions persist.

For instance, what does God intend to do to relieve the conditions of sin and death in the world? And when? Why has He waited so long? When is Jesus Christ going to establish His Kingdom on earth? And why is a plain reading of the Bible so difficult and confusing to so many? Is there a key which opens the door of understanding to the Bible for us?

For over 100 years the key to Biblical understanding has been in the hands of Bible students. In **THE DIVINE PLAN OF**

THE AGES all the great themes of the Holy Scriptures are introduced to the reader in a clear and understandable topic-by-topic method. **THE DIVINE PLAN OF THE AGES** reveals:

✓ **The great time periods of God's plan**

✓ **Why God has permitted evil**

✓ **The MANNER of Christ's return**

✓ **The Biblical meaning of "ransom" and "restitution"**

✓ **A study of the Kingdom of God**

These and many other important Bible topics are discussed in depth. The opening statement of **THE DIVINE PLAN OF THE AGES** best describes its aim and its value as a key to Biblical understanding.

"The title of this series of studies — **THE DIVINE PLAN OF THE AGES**, suggests a progression in the Divine arrangement, foreknown to our God and orderly. We believe the teachings of divine revelation can be seen to be both beautiful and harmonious from this standpoint and from no other." 356 pages.

THE TIME IS AT HAND

VOLUME TWO

A subject of special interest to almost every student of the Scriptures is that of time prophecy. Since the great resurgence of Bible study which began with the establishment of the various Bible Societies starting in 1803,

much indeed has been learned about the time periods revealed in Scripture. But much confusion still exists. Conflicting ideas on Bible prophecy leave many with only vague or unclear views on the subject of God's arrangements.

Have you ever wondered how long people have lived on the earth? When were Adam and Eve created? This fascinating book explores and unlocks this mystery and many more. Did you know that we can date the biblical flood? that Jesus was born in 2 B. C.? that Dec. 25th is not the date of Jesus' birth but approximately the date of the annunciation to Mary, nine months before? that "Elijah the Prophet" was a type? that the Antichrist has already come!?

Evidence is presented that we are now living in the "Day of the Lord," so long awaited by God's people for millennia.

All these points are definitively treated in this fascinating volume written clearly and concisely, depending solely on the inspired account to be its own interpreter.

THE TIME IS AT HAND reveals a deep understanding of Bible chronology — the foundation of understanding Bible prophecy. **THE TIME IS AT HAND** demonstrates:

✓ **The Bible's chronology covering more than 6,000 years of human history**

✓ **The intriguing mystery of Israel's ancient Jubilee cycles and what they have to do with the return of Christ.**

✓ **The systematic counting of the "double" recorded in Isaiah 40:1 and what it means to modern day Israel.**

✓ **The "times of the gentiles" that Jesus prophesied**

✓ **The time and manner of Christ's return**

✓ **The time of Israel's regathering as a nation**

✓ **The year of Jesus' birth, baptism, crucifixion and length of his earthly ministry.**

THE TIME IS AT HAND prepares the student of the Scriptures to understand the outcome of present world conditions. 371 pages.

THY KINGDOM COME

VOLUME THREE

THE most momentous event in the history of mankind is the establishment of God's Kingdom on the earth. Any, therefore, who have themselves uttered those profoundly significant words, "*Thy kingdom come, thy will be done on earth as it is in heaven. . .*" must be gripped by the most avid interest in the events leading to the fulfillment of this prayer.

THY KINGDOM COME examines these events and prepares the reader to understand such Bible topics as:

✓ **Jesus' parables of**

• **the Wise and Foolish Virgins,**

• **the Wedding Garment,**

• **the Wheat and Tares, plus many others.**

✓ **The time and meaning of "the Harvest"**

✓ **The deliverance of the Church**

THY KINGDOM COME has an entire chapter on the detailed prophecy of Daniel 11, demonstrating how this chapter alone in the Bible demonstrates its authority and foreknowledge, foretelling such historical figures as Alexander the

Great, his four generals and Napoleon Bonaparte, among others. It is history written in advance leading us step by step to the Time of the End, so significant in Bible prophecy.

Specific Bible prophecies are examined that demonstrate that Bible students understood and expected the re-establishment of the nation of Israel in her homeland long before the world witnessed its declaration of independence in 1948. In 1878 Petah Tiqwah, the first Jewish settlement, was established in Israel. The Bible has shown this date to be a pivotal year in the nation's regathering.

In addition, **THY KINGDOM COME** examines the testimony of God's silent stone witness — the Great Pyramid of Gizeh, revealing its harmonious confirmation of the Bible. 380 pages.

THE BATTLE OF ARMAGEDDON

VOLUME FOUR

MANY things today are termed "The Battle of Armageddon," but this phrase specially belongs to the Bible and can only properly be used or understood in its Biblical context — a context which traces the marshalling of all human institutions, be they social, political, financial or religious, in preparation for the last great battle on earth.

THE BATTLE OF ARMAGEDDON, written more than a century ago, provides both the Scriptural and historical background of the "controversy" which the Lord has with the nations of earth. It reviews the record of evil and oppression which leads to the indictment and the sentence to "destruction" of all human institutions not in harmony with the establishment of God's kingdom of truth and righteousness.

God permits the Millennial dawn to come upon the world gradually. As people are awakened from the ignorance of the past, they do not consider the Lord or acknowledge his grace in connection with the blessings of the past, present and future. Mankind, in recent history, has had many times as much wealth as was created during the six thousand years preceding. The improved conditions of all people in civilized lands, the shortening of the hours of labor, etc., are offset by greater knowledge and a discontent which comes as a result.

In other words, the increase of knowledge is responsible for the increase of discontent and fear which are bringing Armageddon upon the whole world. How glad we are that man's extremity in

this Time of Trouble will be the Lord's opportunity! He is wishing to pour out upon mankind the blessings of the Millennial Kingdom for their uplift out of sin and death conditions back to the image and likeness of God. He foreknows that they must first have their lessons.

THE BATTLE OF ARMAGEDDON describes in detail:

✓ **The judgment and destruction of symbolic Babylon**

✓ **The necessity and justice of the Day of Vengeance**

✓ **The assembling of the nations**

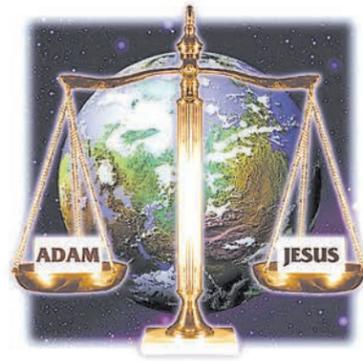

✓ **The cries of the reapers**

✓ **Our Lord's great prophecy (Matthew 24)**

✓ **The establishment of Christ's Kingdom**

No single Biblical study reveals so much of current interest to the serious student of the Scriptures. 661 pages.

THE ATONEMENT BETWEEN GOD AND MAN

VOLUME FIVE

THE doctrine of the Atonement by the blood of Christ is the foundation of the Christian religion. Clearly then, a thorough and harmonious understanding of this subject is essential for all Christians. The Atonement, however, although confessed by all, is understood in its entirety by relatively few. The various ideas and theories concerning it are disconnected and vague. So also, then, must be the resulting faith built upon these vague concepts.

THE ATONEMENT BETWEEN GOD AND MAN provides a detailed study of:

- ▼ The Atonement accomplished by Jesus Christ
- ▼ Why blood atonement was necessary
- ▼ Jesus' role as the Mediator of the New Covenant
- ▼ The baptism, seal and witness of the holy Spirit
- ▼ The meaning of the words "soul" and "spirit"
- ▼ How the curse of sin and death will be lifted in Christ's Kingdom
- ▼ The basis for belief that Jesus Christ is "the ransom for all" (2 Timothy 2:5,6)

An inspiring chapter, "Made Like unto His Brethren," details how Jesus was indeed made in our "likeness," yet remained sinless, though tempted in all points as we, his followers. In what sense was he "made perfect," through the things which he so willingly suffered on our behalf? As the only begotten son of God himself, why did he need to "learn obedience?"

Many Christians today are concerned about the baptism and witness of the spirit. Is saying "I believe" really all that is involved in becoming a footstep follower of Christ? What does it mean to be baptized with the holy Spirit? How can we know we have His holy Spirit dwelling in us and sealing us? What is "the spirit of a sound mind" and how can we know if we've achieved it? THE ATONEMENT BETWEEN GOD AND MAN outlines how to confidently recognize the spirit's witness.

Few books in modern times have achieved as much depth in the understanding of God's atoning work accomplished through Jesus Christ. This work leaves no room for doubt as to the true meaning of Jesus' sacrifice and our benefit from it. As revealed in the Old Testament record, the author traces the Day of Atonement types and shadows as they point forward to Christ — and beyond, to the future work of Christ to be accomplished in His Millennial Kingdom. 499 pages.

THE NEW CREATION

VOLUME SIX

THE Christian Church of the Gospel Age is spoken of in Scripture as the new creation — specifically mentioned as "new creatures in Christ" (2 Cor. 5:17). The laws, duties, privileges and responsibilities of God's new creation are defined in Scripture and are designed for their instruction, edification, blessing and comfort.

THE NEW CREATION discusses the obligation placed on Christians. These obligations do not detract from but enhance Christian growth when properly fulfilled. This is important in order that Christians may achieve a more complete spirit of discipleship to Christ.

THE NEW CREATION examines:

- ▼ How God calls His people
- ▼ The doctrine of predestination
- ▼ The baptism of the new creation
- ▼ The Passover of the new creation
- ▼ The responsibilities of marriage, parental and other earthly obligations

An entire chapter outlines the scriptural basis of church organization as well as its order and discipline.

THE NEW CREATION makes the New Testament instruction by Jesus and the Apostles come alive with meaning. As the Temple of the Living God, each Christian is to honor, praise and glorify God. Anything less is not living up to our privilege of walking with the Master. This exhaustive volume is required reading for the serious Bible student. 738 pages.
