

A few thoughts on the ransom price, ransom work and sin-offering.

Jesus alone the ransom price.

The Bride shares in the distribution of Jesus' (her husband's ransom price he laid down).

The Christ Head and Body in glory, share in the ransom work.

Not unlike the two phases of the Atonement –

A. Satisfaction of Justice.

B. Bringing mankind back into harmony with God.

Ransom in New Testament, only twice:

Jesus in Mt. 20:28; Mk. 10:45 = Lutron anti. A price to correspond.

Paul in I Tim. 2:6 = anti Lutron. A corresponding price.

Ransom as a word meaning "a corresponding price", is not found in the Old Testament types or shadows.

Why? Because animal blood is not equal to a perfect human's blood.

Because there is not a perfect human in the OT (Adam and Eve before they sinned excepted).

Consider Q.B. 562, 524.

Blood of Bullock on the day of Atonement represents the ransom price.

Consider Tabernacle Shadows pages 51, 52, 56, 57, 58.

Passover Lamb or the Lamb of God –

I Cor. 5:7; I Pet. 1:18-20; Rev. 13:8.

Abraham offering up Isaac.

Hosea 13:14 – Ransoming work, not a "corresponding price", rather delivering from.

A correction to note: Expanded Biblical Comments page 348. Comment on this verse from Rpt. 5882:4; QB 571T.

Note that those articles do NOT say that the ransom WORK is finished when the New Covenant is put into effective operation.

Consider the 5th Volume 1916 Forward for a clear laying out of the PROGRESSION OF THE RANSOM.
