

### **The Seven Last Plagues**

We are not told WHAT the plagues are, we are told WHERE they come from, WHO has them, WHERE they are poured out and what are the EFFECTS of them.

The plagues are GREAT TRUTHS. Example: Rev. 11: 3-6.

There are clues between the 7 Trumpet Blasts and the 7 last plagues:

1. Earth 2. Sea 3. Rivers and fountains of waters 4. Sun 5. Darkness 6. Euphrates 7.

Great voice, lightnings, thunders and earthquake.

They each have seven Angel (Messengers).

Rev. 9:20 states that these Trumpet blasts are plagues.

Both Trumpets and plagues are God's retributive judgements against error, primarily against Christendom.

#1. Truth = The error of having an Ecumenical Union between Protestants and Roman Catholics. Note that it is those that worship the Image, this correlates to Rev. 13:15 (future, after Image is vitalized).

#2. Truth = No immortality of the human soul. All souls are dead, whether the walking dead or the buried dead. Those living no longer think that the dead are alive somewhere.

#3. Truth = No hell of torments. The teachings of the theologians and religious teachers are shown to be foul, horrible errors! See Isa. 28:14-18, a covenant with death and hell!

#4. Truth = Ransom for all, implies no Trinity. Sunlight (Gospel message of Ransom for All), intensified. The philosophy of the Ransom (anti lutron), a perfect man for a perfect man does not allow for a "god-man". Implies Two Salvations. Many people HATE the thought of everyone having what they call a second chance.

#5. Truth = Exposes Papacy and their line of Popes as the great Antichrist, the Man of Sin, the Mother of harlots.

#6. Truth = Exposes the error of Church & State Union.

#7. Truth = Reveals that Satan and the fallen angels are really behind all of the gross errors of doctrine and practice. Eph. 6:12, Eph. 2:2, I Timothy 4:1.

16:21 = the great hail of these hard truths beat down men's previous beliefs, however it is the time of the burning of the Bundled Tares! They become part of the Lord's Great Army. They do not become true Christians (for the door is shut), rather they retaliate against the false systems that had deluded and oppressed them.

These truths are presented by the by the Victors of Rev. 15:2. The Feet members of Christ, sealed in their foreheads but still in the flesh.

Rpt. 497, 498: "The next thing shown to John is the coming of the seven messengers out of the temple to pour out the plagues. Since it is the saints who are "to execute the judgments written", (Psa. 149:9) we interpret these "seven angels" to mean the saints – the living saints, they being the representatives or active agents of the entire anointed

company – as “the feet of Him.”....These same feet as representatives on earth of the entire body, are to pour out the seven vials, or be associated more or less directly with the judgments coming. “.

Rpt. 687: “This is also in harmony with what we have learned with reference to the part the same class (the Feet members, sealed but still in the flesh MY NOTE), take part in pouring out the seven last plagues of Rev. 16.”.

References that the plagues are future, after the Little Flock is complete, though some might still be in the flesh:

D 268: “Some of these have already obediently “Come out of her,” and the remainder are now being tested on this point, before the plagues are poured out upon Babylon.”

C 135: “The Sealing of the Servants of God Before The Plagues Come Upon Babylon”.

C 165, 166: “...Come out of her, my people, that ye...receive not of her (coming) plagues....Thus the classes are to be marked and separated before the plagues come upon rejected, cast off Babylon.”

Rpt. 2297: “As soon as this call (Rev. 18:4), has found all the worthy ones who shall inherit the Kingdom with the King, then the plagues shall come upon the residue, the nominal system.”

Rpt. 2553, 2554 and 4057 – in essence, the plagues come in one day (Rev. 18:8), one year. Jer. 51:8 “suddenly”.

Rpt. 2957: “they shall know not, and the ordinary avocations of daily life shall continue – until disturbed by the commotion and trouble of the Epiphania, and the Apokalupsis of the King in the pouring out of the seven last plagues..”.

What effect has harvest Truth had on the nominal systems since 1874?

The Harvest Message has had a great effect on the nominal systems already, this is portrayed in the 3 woes and especially in the third woe - the 7<sup>th</sup>. Trumpet blast.

Furthermore, the increase of knowledge has affected Babylonish doctrine as well as the ending of the Gentile Times and the beginning of the eviction of Gentile powers, starting there with the demise of monarchies.
